Dear Mr. Walker:

The Cline property on Gaither Cline road just South of Ashland has about 60 acres of area in timber. I cruised this timber with a sample of thirty 10 factor prism points on a systematic grid. I estimate the tons by product as follows:

Pine Pulpwood	841
Hardwood Pulpwood	1,526
Pine Sawtimber (treelength, 7 inch top or larger)	1,023
Polar Sawtimber	108
Mixed Hardwood Sawtimber	266
White Oak Stave Logs	19

Sincerely,

Jason B. Voss, RF
